Janet and/or HR Help Desk:

Please see thread below and let me know ASAP what needs to happen to get this resolved.

I'm supporting the Gold King Mine response and NEED to be able to accurately report my time in PeoplePlus but am STILL not appearing on my timekeeper's list. I was placed in a static group for Paula to approve my time but Jim needs to change my schedule but doesn't have access.

This needs to be resolved IMMEDIATELY so please let me know what – if anything – you need from me, my timekeeper, my supervisor, R8 HR and/or anyone else so this can get resolved. I transferred to Region 8 effective 7/12 so this has been dragging on for a month.

My supervisor is Paula Smith and my timekeeper is Jim Lippincott. If you need anything else, please let me know.
